

## CORLED module 55-70W

|                   |                                                           |
|-------------------|-----------------------------------------------------------|
| Artikel nummer    | <b>LL-COR-70W-4000k / LL-COR-70W</b>                      |
| Wattage           | <b>55-70W</b>                                             |
| IP-Waarde         | <b>IP 65</b>                                              |
| Input             | <b>AC230V</b>                                             |
| Kleur temperatuur | <b>4000k, 5700k</b>                                       |
| Bundel            | <b>90 graden (standaard) Optioneel meer mogelijkheden</b> |
| Driver            | <b>Tridonic</b>                                           |
| Chip              | <b>Sharp</b>                                              |
| Lumen             | <b>8.800 – 11.200 lm</b>                                  |
| Afmeting          | <b>1500mm</b>                                             |
| Dim               | <b>Optioneel: Dali, 1-10V, DIMswitch, Nood</b>            |

### Technische specificaties

|                      |                                              |
